EDUCATION

- **Ph.D, University of California, Irvine** 2022 - Current
Logic and Philosophy of Science Irvine, California
- **B.A., University of British Columbia** 2018 - 2022
Cognitive Systems (Philosophy) Vancouver, British Columbia

PUBLICATIONS

- [1] **Chen, R** (2025). Marking Indicatives and Imperatives. *Philosophy of Science*.

WORKING PAPERS

drafts available on request

1. "Time Sensitive and Insensitive Causation: Sensitive Periods and Cycles"
2. "Turnover Processes in Cooperative Games"
3. "Episodic Memory is Analog Declarative Memory" (co-authored with Justin Greenberg)

PRESENTATIONS (P = POSTER; T = TALK)

- **"On the Origins of Objectivity" (T)** Forthcoming, Nov. 2026
Philosophy of Science Association, San Diego, CA
- **"Episodic Memory is Analog Declarative Memory" (T: Presented by Justin Greenberg)** Jun. 2026
Issues in Philosophy of Memory 5, West Lafayette, IN
- **"A Modest Moral Judgment Eliminativism" (P)** Jun. 2025
Society for Philosophy and Psychology, Ithaca, NY
- **"Marking Indicatives and Imperatives" (T)** Nov. 2024
Philosophy of Science Association, New Orleans, LA

HONORS AND AWARDS

- **Graduate Service Award** 2023, 2025
Logic and Philosophy of Science, UC Irvine
- **Elias and Elizabeth Healman Memorial Scholarship** 2022
Faculty of Arts, UBC

SERVICE

- **Co-Director** 2025, 2026
LPS Summer Development Program
- **Symposium Organizer, "Developmental Philosophy of Science"** 2026
Philosophy of Science Association

TEACHING EXPERIENCE

- Inductive Logic | UCI Fall 2023
- Philosophy of Sex | UCI Fall 2024
- Making Modern Science | UCI Spring 2023, 2025
- (*Instructor of Record*) Making Modern Science | UCI Spring 2026
- Introduction to Symbolic Logic | UCI Winter 2023, 2024
- Critical Reasoning | UCI Winter 2025
- Acquisition of Language | UCI Fall 2025
- Introduction to Linguistics | UCI Winter 2026
- Introduction to Critical Thinking | UBC W1 2020
- Symbolic Logic | UBC W2 2020
- Introduction to Cognitive Systems | UBC W1 2021
